

**PARKWAY TREE REPLACEMENT PROGRAM  
APPLICATION**

1. The tree species offered are grouped by mature size, and careful consideration should be given to insure that a suitable choice is made. You should look at the location you want the tree planted and determine how much room is available for your tree (see the attached diagrams). You should also look at what other trees or shrubs are nearby and select a tree(s) that fits with the landscaping. Should you need assistance /advice in making your choice, Public Works staff can be contacted at (708) 335-9600 ext. 200 to help you.
